- 3) New orientation program: Jump Start (August 23-September 3)
- 4) Mark your calendars: Fresh Minds Symposium (Wednesday, November 10)

## UVIC ADMISSIONS & SCHOLARSHIP UPDATES

- 5) Reminder: on-campus housing applications are due June 30

---

### 1) Registration 101 webinars offered in June (June 14-17)

The recruitment team will be hosting a series of how-to webinars for students who are interested in a crash course in class registration at UVic.

Our recruiters will show your students how to get organized for their registration dates, choose courses, build timetables and navigate the ins and outs of UVic's online registration system.

Your students will be receiving an email invitation to this webinar series next week, including dates, times and RSVP instructions.

Please note that our team will also be offering in-person Registration 101 workshops in select cities next week. Please visit [www.uvic.ca/students/undergraduate/explore/reg101.php](http://www.uvic.ca/students/undergraduate/explore/reg101.php) for details.

### 2) SummerU: application deadline extended to June 15

The application deadline for our SummerU program has been extended to June 15.

This academic-focused program is a unique opportunity for your students in grades 10 through 12 to get inspired this summer with a taste of the university experience and academic credit towards their future degrees. Please visit [www.uvic.ca/summeru](http://www.uvic.ca/summeru) or email [summeru@uvic.ca](mailto:summeru@uvic.ca) for course and application information.

### 3) New orientation program: Jump Start (August 23-September 3)

Designed for first-year students from Victoria or new students who will be living off-campus in their first year, Jump Start is a tour-focused opportunity to beat the September rush and take care of some important tasks before school begins.

Participants will tour campus with a current student and will have the opportunity to buy their textbooks, pick up their photo identification and access other on-campus services during the tour.

For more information and to register, please visit [www.uvic.ca/orientation/jumpstart.html](http://www.uvic.ca/orientation/jumpstart.html). For information on other new student orientation programming, please visit [www.uvic.ca/orientation](http://www.uvic.ca/orientation).

#### 4) Mark your calendars: Fresh Minds Symposium (Wednesday, November 10)

The annual Fresh Minds Symposium for students in grades 9 and 10 will be held at UVic on Wednesday, November 10. This popular day-long conference offers your students the chance to participate in lectures and skill-building workshops around a singular topic with their peers – the event theme for 2010 is 'mystery'.

Registration opens at 12:30 p.m. on September 22. Please note that space is very limited and fills up quickly. For more information, please contact Melana Mar at [mmar@uvic.ca](mailto:mmar@uvic.ca).

#### 5) Reminder: on-campus housing applications are due June 30

Please note that on-campus housing applications and application fees are due no later than June 30. Housing will only be guaranteed for first-year students entering UVic directly from high school if an application form and the \$25.00 (CAD) fee are received by this date.

Please visit [www.uvic.ca/housing](http://www.uvic.ca/housing) for more information.
