

SS9: Famous Inventors Research Assignment

Over the past month we have examined the English Revolution and the French Revolution. We will now be turning our attention to a different type of revolution: the Industrial Revolution. To begin this unit, everyone will be choosing an inventor to research and write a 500 word essay. Along with your essay, you will be required to hand in Cornell Style notes and a formal bibliography.

Your Assignment:

1. In 500 words max., you must answer the following question:
Explain why the person you have selected could/should be considered one of the most important inventors in history. (18 marks)
 2. To organize your research you must use Cornell Style notes. (6 marks)
 3. You must also include a Bibliography (APA format) using a minimum of 3 sources (minimum of 2 print sources). Use the sheets provided by the teacher librarian in the LRC. (6 marks)
