

Congratulations to the following students who have been nominated by our Staff to receive a Service & Citizenship Certificate! These certificates are awarded to students who are strong citizens of the Claremont Community, who demonstrate commitment to extracurricular volunteering, both visible and behind the scenes, and for all-around positive contributions to our school, staff and peers.

Students will receive their Certificate with their Report Card at the end of June. They are not needed at our Awards Ceremony on June 28 (only for several major school awards).
