Dear Parents, Guardians, and Students,

Wow! Less than a week left of classes in Q4. It's been an extraordinary year and we have so much to be thankful for as our entire school community worked together to make this year, in spite of the many challenges, successful. Thank-you students, parents and staff for your commitment to this unprecedented year.

- **National Indigenous People's Day on June 21st:** This MONDAY, June 21st is National Indigenous People's Day. We have invited all students to come celebrate this important day by participating in some activities at lunch in the student lounge. There will be music, fry bread, weaving and fun for everyone to participate in. See you there!
- **Last week of Q4:** Parents/guardians please ask your child if they have any final assessments or projects due in this shortened week. June 25 and 28 are Course Completion Days. We encourage students who might have missing assignments or work to be completed to join us on these days. If students have completed everything required in their courses, attendance is optional. Quarter four Report cards will be ready to go home Tuesday, June 29th and Wednesday, June 30th. Specific times for pick-up will be shared next week.
- **Help with Coursework:** Extra support is available after school on Tuesday & Wednesday from 3:15pm-4:15pm in Room 235 on a drop in basis. Support is available for Math, Science, Socials, & English. As we approach the end of Quarter, now is a great time to start utilizing this resource.
- **Textbook Return:** Please begin looking around your home for any Claremont text books or novels. All books can be returned to the Learning Commons.
