FUNDRAISING

Upcoming Events:

The Fundraising Committee is up and running that will focus efforts on raising funds to support celebration, activities, and memorabilia. **We need all the help we can get... organizers and volunteers needed!** We need people to help organize, help sell, help us have successful fundraising events. We are holding a lot of fundraising events throughout the school year to offset the costs to families, to allow us to give the grads a fun and memorable experience. Currently we only have a few people organizing and volunteering for these events. The more help we get the better events we can provide to the grads!

If you would like to help and take on one of the fundraising events, please contact Kendra Sharp-Hulbert. **Very much appreciated!**
